

November 24, 2009

Dear KPAS family,

Welcome to Kerry's Place Autism Services' Winter Social Groups for youth aged 11-17! Please see the attached information regarding the social groups we are offering for your child's age group for the coming winter season.

Please ensure that you read *both sides* of all pages so as not to miss any social group opportunities available to you and your child.

Staffing support will be two staff to five children. If individuals require 1:1 support, they are still eligible but will need to bring a respite worker along with them. Transportation to and from each social group location will be the responsibility of each family.

Eligibility: Families registered with Kerry's Place Autism Services and living in Peel and Halton regions for 11 - 17 year olds' social groups.

Please note the contact person for each group. Due to high demand, preference will be given to children who did not attend a group in the fall session.

Registration: To ensure fairness for all families, staff will be taking calls for each group **starting at 9 a.m. on Monday December 14th through to Thursday December 17th depending on which group you are registering for.** Please note calls will not be taken before this date and time.

If you have any questions about these groups, please feel free to contact me via the information below.

A special thank you to Clifford V. who has created our winter session social group flyer

Sincerely,

Heather Hughes
Manager of Community Supports
